HOPEDALE MASS.

NO. 181. NOVEMBER 1917.

YARD PRIZES FOR 1917

were distributed this month among our tenants. About $500.00 were divided and about one hundred awards made.

All of our tenants are considered in competition without making formal entries.

While our experience shows that the yard prize system has led to a general improvement in the appearance of the premises, we feel that the pride of the tenants in well kept and orderly grounds is after all the strongest incentive in producing the results obtained.

We show on the following pages views of several groups of houses; also a few views illustrating the outlook from our houses.
